To the Parent or Guardian:

Your child would like to apply to take part in a CBBC series. The show is currently scheduled to be transmitted on the CBBC Channel sometime between August 2016 and December 2016.

For the application to be considered your child must be aged between 10 and 14 years old and we need to receive both a completed questionnaire and signed parental consent form. These should all be returned as soon as possible for us to consider the application.

The applicants we wish to consider for the programme will then be contacted by a member of the production team. If you have not heard from us by March 2016 then unfortunately it means that your child has not been selected. **The closing date for applicants is Friday 29th January 2016.**

All information supplied in this application form will be treated as confidential. It will be stored securely and will be used only in relation to this production and will not be used for any other purpose without your permission.

Involvement in this programme will depend on obtaining the necessary permissions or licence as required. Applicants must not be employees of, or close relatives of employees of, the BBC. All applicants must be UK residents.

All the information will be treated in accordance with the BBC's Privacy Policy, which you can see online at <http://www.bbc.co.uk/privacy/>

If successful we will call you (the adult) and not your child for selection to the next stage. The BBC operates a Child Protection Policy and all our staff comply with it.

(The BBC's Child Protection Policy can be viewed at www.bbc.co.uk/info/policies/child_protection.shtml)

Does your child (or any family member) have any medical conditions (e.g. asthma, allergies, diabetes, epilepsy etc.) that we should be made aware of? *(This does not necessarily preclude those family members from taking part.)*
