

Make a hidden pocket cushion

You will need

- ✓ Cushion with a cover
- ✓ Needle and thread
- ✓ Material for your pocket
- ✓ Piece of card to fit inside your cushion

Introduction

Create a hidden compartment in a cushion - perfect for any budding Time Lords who want to keep their secrets and gadgets safe! Don't forget to take a picture and send it to us at bluepeter@bbc.co.uk

Instructions

Step 1

Take the padding out of a cushion.

Step 2

Carefully cut your chosen piece of material to a smaller size than the cushion cover and decorate it with your own design. We've gone for a Doctor Who theme, but you can choose anything you want.

Step 3

Place a piece of card inside the cushion so that you don't stitch right the way through the cushion.

Step 4

Sew your patch onto the cushion cover, make sure you only stitch along the bottom and up either sides, leaving the top open. Take care and mind your fingers!

Step 5

Put the padding back inside and your Hidden Pocket Cushion is finished!

Now you have a secret place for your secrets or gadgets.
