

Norman

Headwear

## Instructions

1. Cut carefully around the Norman Headwear (ask an adult to help!)
2. On a plain sheet of paper cut two strips and this will be used to attach the Headwear to your head.
3. Tape the two strips together to make one long strip and measure it around your head so it fits and tape it to make a circle.
4. Stick the Norman Headwear to the strip and place it on your head.
5. Now pick a beard or moustache to complete your costume!

## Instructions

1. Cut carefully around beard or moustache (ask an adult to help!)
2. On the beard make two holes on either side in the white circles.
3. Attach a piece of string through the holes and tie a knot so it makes a necklace shape.

4. Place the string so it sits on your ears and now it looks like you have a grizzly beard!
5. For the moustache - stick a pencil on the back so you can hold it up and have a pretend moustache
6. Now have fun with the other costume cut outs!
