You will need

Printouts
Pens or pencils

Remember to ask
a grown-up for help

1

Write all about your very first day at school by printing out this Balamory Starting School book. Start by writing your name and the date of your first day at school on the front cover.

2

You can write about all the different things that happened to you on your first day at school, like who you met and what you did by printing out all the pages of the Starting School book and filling them in.

3

Finish off your Starting School book by colouring in all the pictures.
