

Balamory

# Thumbprint Card

## You will need

- Coloured card
- Finger paints
- Pens or pencils
- Apron or old clothes

Remember to ask a grown-up for help

1

Remember to put on an apron or wear old clothes. Fold your card in half to make a card.

2

Put your thumb in the paint and then make a big thumbprint in the middle of the card.

3

Add two more thumb prints at the top to make 'ears' and leave the card to dry. You can give the card to someone in your family or a friend.
