# Paper Chain

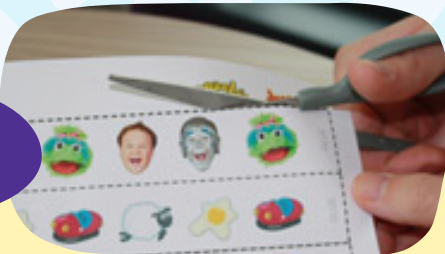

## You will need

Print-out  
Glue  
Scissors

Remember to ask a grown-up for help

1

Cut out each strip of your paper chain following the dotted lines.

2

Glue the paper chain ends together to make a loop.

3

Take another and loop it through the previous strip to form a chain, and glue together.

4

Carry on adding to the chain to make the chain as long as you want.
