

Mister Maker

Badge Pictures

You will need

A circle of card
A peg
A rectangle of card
Glue
Glitter
Scissors
A tray
Coloured stickers

Remember to ask a grown-up for help

1

Take the circle of card, glue it on to the peg then place it on a tray.

2

Draw a number onto the card using the glue then sprinkle the glitter over the card. Shake the loose glitter off.

3

Take the rectangular piece of card and fold it in half. Then make two snips at the top. Then fold the middle strip back.

4

Slot your badge on to the card.

5

You can use any number you like and even make a bigger card.
