

Mister Maker

Bongo Drum

You will need

Plant pot
Empty plastic container
Glue
Brush
Tissue paper
Brown paper
Glue stick
Elastic band
Stickers

1

Glue a plastic container to the bottom of the plant pot to make a drum shape.

Remember to ask a grown-up for help

2

Cover everything with glue and tissue paper and leave it to dry.

3

Scrunch up a circle of brown paper, open it out and place on top of the drum. Use an elastic band to hold the paper in place.

4

Now decorate your drum with lots of colourful stickers.
