

Mister Maker

## Spooky Pencil Holder

### You will need

Scissors (grown-up use only)  
Cardboard tube  
Glue stick  
Stickers  
Black pen  
Fun foam

Remember to ask a grown-up for help

1

Fold a piece of fun foam in half and cut out a bat wing shape.

2

Open out the wing shape and glue to the back of the cardboard tube.

3

Glue fun foam triangles to the top of the cardboard tube to make ears.

4

Draw black dots on stickers or paper circles for the eyes and stick to the cardboard tube.

5

Draw a mouth and teeth with a black pen.

6

Add glue to the bottom of the cardboard tube and stick on a circle of fun foam or cardboard for a base.
