

Mr Bloom's Nursery

## Bird Feeder

### You will need

Pine cone  
Bread  
Dried fruit  
Lard  
Bird seed  
String

Remember to ask a grown-up for help

1

Tie a short piece of string around the top of the pine cone to make a loop.

2

Fill all the holes on the pine cone with bread and dried fruit.

3

Cover with lard, making sure your loop of string is sticking out at the top.

4

Roll in bird seed and now your feeder is ready for all the birds to enjoy.
