

Something Special

# Make a Pizza with Justin

## You will need

Pre-made pizza base  
Tomato base  
Cheese  
Vegetables for topping

Remember to ask a grown-up for help

1

Wash your hands before you start to cook.

2

Roll out your dough or use the premade pizza base and add your tomato base. Spread out the tomato base with your spoon.

3

Sprinkle on your cheese.

4

Choose the rest of your topping and add them to your pizza.

5

Ask an adult to put your pizza in the oven to cook.
