

Something Special

Make a Rocket with Justin

You will need

Large plastic bottle
Paper or card
Scissors
Paint or felt tips
Glitter or stickers
Sticky tape

1

Cut out a large half circle from a piece of card to make a cone shape for the top of the rocket.

Remember to ask a grown-up for help

2

Attach it to your plastic bottle with sticky tape. Remember scissors are sharp, ask a grown-up to help!

3

Ask a grown-up to cut out triangle shapes for wings of the rocket and attach them to the bottom with sticky tape.

4

Decorate your rocket with glitter, paint, felt tips or stickers.

5

You're ready to launch your rocket into space!
