

Stargazing

## Stargazing maps

### You will need

Print-outs  
(below)

Remember to ask  
a grown-up for help

1

Print out your star maps and see how many groups of stars you can spot.

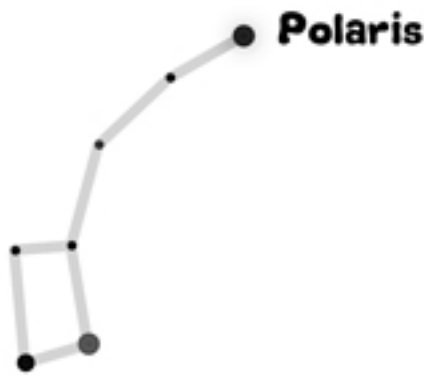

2

Watch Mr Bloom and Gem's videos on the CBeebies website for some handy stargazing tips, and don't forget to take a grown-up out with you.
