Pirate Beard

You will need

Brown or black card
Scissors
Glue stick
String
Sticky tape
Pencil
Thick pen

Remember to ask a grown-up for help

1

Draw an oval shape for your beard and then, with a grown-up's help, cut it out.

3

Stick some string to the back of the beard using sticky tape.

5

With a grown-up's help cut the curled card in half and then cut lots of small strips.

2

Next draw a smaller oval shape for a mouth inside the beard you have just cut out. Ask a grown-up to cut the smaller oval shape out for you.

4

To make the hairs for the beard take another piece of card and roll it around the thick pen, then remove the pen and the card will be curled.

6

Cover the front of the beard with lots of glue. Then stick the curly stripes of card onto the beard for the hairs.
