

Tree Fu Tom

Zigzoo Card

You will need

Card in two colours
(one green)
Scissors
Glue
White paper
Pencil
Black felt tip pen

1

Fold a piece of green card in half and draw half a frog-faced shape on one side.

3

Fold back each side of the mouth into triangles. Turn over the card and fold the triangles back on themselves.

5

Fold another piece of card in half and glue Zigzoo's face on it, lining up the folds.

7

Glue the eyes to Zigzoo's face and you have finished!

Remember to ask a grown-up for help

2

With a grown-up's help cut out the face shape and then with a grown-up's help cut along the line which will become the mouth.

4

Unfold the face shape and push your thumb through the mouth section. Turn over the card and the mouth should pop out.

6

With a grown-up's help cut out two white circles to use for the eyes and use a black felt tip pen to mark on pupils.
