

Bruno Snax and Rumpole Biccies

Ingredients

- 1 beef stock cube
- 125ml boiling water
- 350g wholemeal flour, plus extra for rolling out
- 1 medium egg
- Plain flour for dusting

Method

1. Preheat your oven to gas mark 6 / 200C / 400F.
2. Place the stock cube in a measuring jug and add the 125ml boiling water and stir until the stock cube has dissolved.
3. Place the flour, egg and stock into a food processor and blend until it comes to a ball.
4. Remove the blade from the food processor and then the dough.
5. Flour the surface and roll out the dough until half a centimetre thick.
6. Use the cutters and cut out the biscuits and placed on a lined baking tray.
7. Place in the oven for 30 minutes. Make sure the biscuits are cool to touch before you give them to your dog.

You will need

- Measuring jug
- Food processor
- Rolling pin
- Lined baking tray
- Biscuit cutters

Remember!

Always ask an adult for help when using hot, sharp or heavy objects in the kitchen.
